

- Safe gum removing technology
- No disruption to your customers
- None hazardous - none corrosive
- A detergent used from renewable sources
- No water or power source required
- Public footpaths, drives, door entrance
- Business forecourt - car parks
- Fast, effective, affordable.

Our machines remove gum at speed from:

- Black paving
- Paving slabs
- Tarmas
- Concrete paths
- Internal entrance matting
- Carpeting
- Upholstery

Phone Roger Wilkon on 01663 765653 for a no obligation survey.
